**LEGAL DEADLINES**: Friday noon, 10 days prior to publication date. Proof of publication furnished upon request.

Ads must include who is paying for the ad, a complete address with zip code and a contact reference within the ad. It must also state, "Paid for with regulated funds." If the ad is not paid for by the candidate or committee, it must state that it's "Not authorized by any candidate or committee."

## GUIDELINES FOR SUBMITTING CAMERA-READY ADS:

- Serif and non-bold fonts under 12pt may disappear when placed reversed (white type on a colored background).
- Do not reverse small type over colored images.
- Camera ready and/or ads with 5pt type or less will not be credited due to legibility.
- Sharp, in-focus images reproduce better than "soft" focus photos.
- Professional quality prints or digital images should be a minimum of 200dpi at 100% scale.
- Screened or printed halftone material generally reproduces poorly.
- Faxes or photocopied material including web pages should not be used as original material for ad submission.
- Color ads submitted must be in CYMK format. RGB ads will not be accepted.
- NOTE: For all ads, please do not use full-color black when creating font and graphic elements. When using a screen, please have the black overprint on the screen (no knockouts).

**SPECIAL POSITIONS**: All display advertising takes the "run of the paper." Every effort will be made to comply with the request, but acceptance of the order does not imply a guaranteed position. The exception is the Front Page which has a 25% rate premium.
