TESTIMONIALS

What our partners are saying...

A big thanks to our digital marketing team at MMG. Our hard work is paying off! [In response to Mackinac Island being named Number One Summer Destination by TripAdvisor in 2018]

– **Tim Hygh, Mackinac Island Tourism**

MLive brought to Grace's rebranding exactly what we had hoped. They accepted our initial data collection efforts and added to that body of data. They understand the dynamics brought by multiple layers of institutional stakeholders and helped us gain buy-in. The entire process had clear deliverables as well as a clear path to reach the end goal.

– **Brian Sherstad, Grace Christian University**

When we first began refreshing our brand identity we vetted a few local creative agencies for the project. We were impressed by the professionalism and strategic approach and we decided to jump into this crazy journey with their team leading the charge.

– **Steve Volkers, Steve Volkers Group**

Eric [of MLive] can introduce new ideas and make them a reality within the hour. As media is ever-changing in this fast-paced environment, Eric will inform his audience of current industry trends and how to implement those trends back in the office.

– **Anita Lindsay, Michigan Chamber of Commerce**

Our Planning Commissioners loved [the videos] and many want to visit these locations now. They're very impressed with the high-quality of work MLive is producing.

– **Jacob Maurer, Genesee County Metropolitan Planning Commission**

Our partnership with MLive is greatly valued on many levels. We feel confident in the strategies about our tourism product. Our account rep helps us fully understand our success analytics and makes necessary adjustments. We've worked with their creative staff on videos and blogs and feel the finished product is intriguing, professionally crafted and a true representation of our brand.

– **Christy Walcott, Gaylord Area Convention & Tourism Bureau**

We use MMG for all of our digital marketing...because of their expertise with Google Analytics reporting and analysis. MMG also offers the Visitor Bureau a wide scope of influence as one of the largest publishers in the US. This helps distribute our message regionally, and in the state of Michigan.

– **Scott Beal, Silver Lake Sand Dunes-Hart Visitors Bureau**

In a market that is very segmented it can be tough to get the attention of potential and existing customers. Eric [Hultgren, of MLive] helped us recognize the need to focus on making our customer "the hero" in our business scenarios for sustainable success.

– **Rick Vuyst, Flowerland**

The process for designing something as seemingly simple as a logo is somewhat magical. Looking at what we had before and looking at what we have now is an impressive difference. Our staff sees the difference and is excited and motivated to promote and expand the brand. We love the guidelines, it will be a valuable tool in our marketing going forward.

– **Teel Jewelers**

The MLive/Advance team has helped Kadant scale our digital strategy for the industries we serve. As our marketing efforts have begun shifting from inbound to more outbound and account-based marketing, they have listened and guided us with solutions that have exceeded our lead generation goals. I value the strong partnership that's grown the last six years with Ryan Winfield and his team as our digital agency.

– **Vicki Hunsberger, Director of Marketing, Kadant**

The family-owned dairy farm, MOO-ville Creamery, had one location with limited local distribution. Then it was named Michigan's Best Ice Cream Parlor by MLive. Today, owner Troy Westendorp said they produce 733% more ice cream and distribute to most of West Michigan. "We made 12,000 gallons in 2012 when we won the contest and now are making 100,000 [gallons] a year!" said Westendorp. The Nashville, Michigan based creamery has expanded to three locations and are known for their innovations, creative flavors and community focus, thanks to the support of Michigan's Best and MLive.

– **Troy Westendorp, MOO-ville Creamery**
